MEMORANDUM OPINION AND ORDER OF DETENTION PENDING TRIAL

A detention hearing has been held in accordance with the Bail Reform Act, 18 U.S.C. § 3142(f). The following requires detention of the Defendant pending trial in this case:

- (1) There are no conditions or combination of conditions that would reasonably secure the presence of the Defendant; and
- (2) There are no conditions or combination of conditions that will reasonably assure the safety of the community.

The evidence against the Defendant meets the probable cause standard. The findings and conclusions contained in the Pretrial Services Report are adopted. The Defendant was on bond when she committed the instant offense, reflecting that she is either unwilling or unable to comply with court-ordered conditions of release. She has an unstable mental health history and a history of drug abuse. She is a poor bond candidate.

The Defendant is committed to the custody of the United States Marshal or his designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The Defendant shall be afforded a reasonable opportunity for private

consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the Defendant to the United States Marshal for the purpose of an appearance in connection with a court proceeding.

ORDERED this 12th day of November, 2019.
